### *Want to be part of something bigger?*

*Have you ever thought of joining the Federation Board of Trustees? Have you any skills, new ideas you wish to share and bring forward for the benefit of all members?*

The Federation is now seeking nominations for the Federation Board of Trustees 2025-2027. New blood is essential for the future and to ensure the survival of our Federation.

*Do you know anyone who may have what it takes to join our Federation Board? Are you interested in bringing something new to the Federation yourself?*

Each WI and members of the present Board of Trustees may nominate up to 12 members for the new Committee.

**Please think seriously and put your name forward – the Federation needs YOU!**

Should you wish to find out more about being a Trustee, please contact the Office.

Nomination forms are with your Secretary and should be **returned to the Office by 31<sup>st</sup> October 2024 at the latest.**

*Dear Members,*

*We are now two thirds of the way through the year although, for some, September is the start of a new year. Our children, grandchildren and great-grandchildren are about to embark on a new school year and all the challenges that brings with it. Thinking of challenges, I hope you all enjoyed watching the Olympic Games last month - what an impressive medal tally Great Britain amassed across a range of different disciplines.*

*We will be starting September with a bang as we go to the Cotswolds for the Federation holiday. We have a completely full coach which is wonderful - all we need now is the good weather! I feel a bit guilty taking time out, as it leaves my husband having to look after our 2-year-old grandson on his own for a couple of days, as we continue to provide childcare two days a week until further space becomes available at Oliver's nursery. I am truly shocked at the cost of nursery places and feel very sorry for those young mothers who don't have a good support network to help them. Many parents must be working purely to pay nursery fees in order to ensure that their jobs remain open for them.*

*Once we return from the Cotswolds we are looking forward to the WI Day lunch in Scarborough, with Angus Ashworth once again as our speaker. I do enjoy our lunches as they are such a great opportunity for us all to meet members of other WIs, share experiences and make new friends. I do hope you all have a very enjoyable month.*

*Best wishes*

*Sarah*

### **CURRENT AFFAIRS - Chairman: Lindsay Gee - [lindsaygee67@gmail.com](mailto:lindsaygee67@gmail.com)**

So here comes the autumn, already, with the equinox on 22nd September. It is also already the second anniversary of the change of monarch, on the 8th. Then the 28th marks a transition brought about by violence, when the first of our four King Williams landed in East Sussex, back in 1066.

Between the 16th and the 22nd it's the WI Week of River Action - for something we all know is an emergency. Secretaries have already been circulated with a flyer giving information for you to consider.

In addition, the weekend of 20th-23rd September sees the Great UK Water Blitz: you can be sent a free and easy-to-use water quality testing kit, which takes just 20 minutes, and can then send in the measurements taken. The WI's partner is Earthwatch, whose website contains registration forms for use by individuals or groups; or you can follow this link - <https://mywi.thewi.org.uk/public-affairs-and-campaigns/news-and-actions/sign-up-for-the-great-uk-waterblitz>.

Then on Saturday 26<sup>th</sup> October this will be rounded off with a march run by River Action UK, in London: petitioning the new government "to take the issue of clean water seriously and deliver meaningful legislation". Here's a useful link: <https://mywi.thewi.org.uk/public-affairs-and-campaigns/news-and-actions/register-your-interest-in-river-action-uks-march-for-clean-water>.

The selection of a shortlist of new resolutions will be made on 3<sup>rd</sup> October, and we hope to be able to report back in the November Newsletter. In the meantime, corresponding with your MPs on the urgent need for action to improve access to dentists is recommended.

On a lighter note, British Food Fortnight runs between the 17<sup>th</sup> and 2<sup>nd</sup> October; and, perhaps coincidentally, 29<sup>th</sup> September is End Food Waste Day.

Enjoy the start of autumn, and its harvest.

**SCIENCE COORDINATOR/ CLIMATE AMBASSADOR** - Gill Edmonds - [gilledmonds45@gmail.com](mailto:gilledmonds45@gmail.com)

*In last month's newsletter I requested that if any one of you had something interesting you would like to share we would be delighted....so pleased to receive this article by Susie Brown, member of Selby Swans.*

### Summer in the Beehive

Early in July our two honeybee colonies were at their annual peak - of population size, activity and honey production. Sitting near the hives with an early morning cup of tea you can feel as well as hear the loud happy hum of contented bees and pick up the scent of beeswax and honey. Experiencing this vibration, noise and smell plus the visual experience of watching the bees coming and going is recognised as having a positive and meditative wellbeing effect, and I definitely

feel it. Each hive has up to 60,000 bees at peak summer, each with a sequence of allotted jobs in their a 6-week cycle of life: cleaner, nursemaid, lady-in-waiting, undertaker, stores assistant, wax producer, honey monitor, hive guard and finally out into the world to become a forager. This time is the midst of what beekeepers call a nectar flow, and the bees are making the most of it. Good sunny weather, temperatures above 15 degrees and occasional rain means crops, trees, hedges and gardens are full of productive flowers providing both nectar and pollen for the bees to collect. They'll travel up to three miles away from the hive to find food and communicate to each other daily about where the best sources are. And they need to keep busy as they have lots of brood to feed as well as themselves. A happy productive Queen can lay up to 2,000 eggs a day, and as it takes 21 days for these eggs to develop and emerge as bees there is plenty to do in the nursery.

It was a dreadful start to the year with a mild wet Winter followed by a wet and cool Spring. Colonies struggled to survive and across North Yorkshire beekeepers experienced huge losses. Climate change is having a terrible effect on insects that largely goes unnoticed by us humans. As a beekeeper you become tuned in to nature, noticing when hedgerow plants are flowering, when other types of bees are emerging and really seeing the impact of milder winters. Then of course there is habitat loss, pesticide use and the threat to our native bees from non-native species to worry about. Thankfully it's been a good early summer. In a couple of weeks, the honeybees will start winding down for the autumn. They'll disable and evict the males as the reproductive season is over and they're not needed anymore, and slowly reduce in numbers towards Winter cluster size. For now, they and I are content - this year there will be honey for us both.

## **AROUND OUR FEDERATION**

We were very proud showing off our new banner in the parade at Strensall Carnival in June.

We also had a stall selling items our Crafty Club had made. Apart from the most torrential rain, where the

field emptied in minutes, and our members huddled together in our gazebo, having a sing-along, we all enjoyed the day.

*Dorothea Scarlett, Secretary, Strensall and Huntington WI*

**Fylingdales WI** were delighted to celebrate the 90<sup>th</sup> and 80<sup>th</sup> Birthdays of June Hinde and Judith Hill who between them have been in our WI for 110 years. Both have taken on different roles during this time.

Inspiration to us all. - *Penny McDonald*

On June 22<sup>nd</sup> 2024 Riccall WI were asked to provide refreshments for the Beryl Burton Memorial Ride. Cyclists set off and return to the Knavesmire. The ride has taken place for many years - and they have always stopped at the Methodist Chapel in Riccall. Sadly the Methodist Chapel has closed but has been made into a community hub by the Parish Council - who allowed us to use the building on the day. We had lots of lovely cyclists and by the end had run out of sandwiches and cakes! Money raised has been donated to St. Leonard's Hospice.

This was followed the following day by "open gardens" in Riccall where once again our members helped out manning a "preserves" stall as well as donating cakes for refreshments! So, a big "Thank You" to our members for all their hard work over a very busy weekend. - *Karen Keen*

Ladies from North Cowton WI and friends - locally called the Nitwits! - with their latest completed project of 65 Trauma Teddies, Tigers, Lions - and rogue Snowman.

The Teddies are being handed to Jon Hancock, Crew Manager of North Yorkshire Fire & Rescue Service and Harry Allen, Firefighter at County Durham & Darlington Fire & Rescue Service.

The Teddies will be shared by local accident and emergency services and given to those children affected by fire or accident. - *Pat Abbott*

Dringhouses WI had a fundraising stall at a local festival (Woodthorpe Family Festival) selling jams and chutneys, all made by Alison our President. Here they are meeting Mixie the mascot for YorkMix. It was a very good day with lots of customers and help from members. - *Ann Elliott*

## YORKSHIRE DAY LUNCH, 1<sup>ST</sup> AUGUST

Left - Members of **Strensall & Huntington WI** at the Kirkbymoorside Gold Club Yorkshire Day lunch with guest speaker Angus Ashworth. The ladies are all wearing white roses buttonholes made by a made by a member of our WI. - *Dorothea Scarlett*

Snainton WI ladies (above right) enjoying Federation lunch at Kirkbymoorside Golf club. Angus is such a good entertainer not just with his antique knowledge but ad lib as well. Above left, our Federation Chairman, Sarah, with Angus.

**Byland with Wass WI** held an ambitious charity dinner for 54 people last November. We decorated the village hall and provided a five-course meal with tasting wines. It was a brilliant evening: we all pulled together to make it a great success. Amazing raffle prizes raised £840 for the Herriot Hospice Homecare Charity based in Thirsk. We were delighted to have Peter Wright, Ambassador of the charity and our local celebrity Yorkshire Vet present as a guest to receive the donation on the night. The dinner itself raised £1228 which we have been giving to local charities this year. We were very keen to gift to a local charity helping women and children. Nancy Walker, our President, had attended the Annual Conference in June at the Royal Albert Hall and was inspired by Nasir Afzal speaking on male violence and domestic abuse against women. Consequently, one of our members, Gill Burn, who works for the Community Works charity in Thirsk suggested the Women's Group associated with this charity.

In 2019 Community Works identified a need to support local women of all ages and backgrounds with a variety of issues and needs and The Catalyst project was started. Women are offered support via groups, activities, life coaching and counselling, with 'women supporting women' underpinning all the work that they do. The charity receives positive feedback from the women they support with increased positive mental and physical wellbeing, better social interactions leading to lasting friendships and better access to appropriate services. Byland with Wass WI presented Community Works with a cheque for £200 which was gratefully received by Victoria Stapylton, Head of Women's Work. The first picture shows (left to right) Victoria Stapylton, Nancy Walker (President) and Christine Bradley (Committee Member and charity dinner organiser) outside the Community Works Re-Use store in Thirsk.

And finally, what an achievement from Pickering WI at the Ryedale show on 30<sup>th</sup> July!! They won the cup for most points. They won the following prizes:

Marmalade – 1<sup>st</sup>      Cushion – 1<sup>st</sup> (picture below)  
 Cheese Scones – 3<sup>rd</sup> prize  
 Flowers/tea plate – 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> prizes (picture left)  
 Hessian Flowers – 2<sup>nd</sup> & 3<sup>rd</sup> prizes (picture below)

Card category – 2<sup>nd</sup> prize  
 Photo category – 3<sup>rd</sup> prize
